LIST HIGHLIGHTING THE AMENDMENTS FROM THE PROSPECTUS DATED 30 DECEMBER 2022 ("PROSPECTUS") AS MODIFIED BY THE FIRST SUPPLEMENTAL PROSPECTUS DATED 13 OCTOBER 2023 ("SUPPLEMENTAL PROSPECTUS") IN RELATION TO THE FUND.

NO.	(A) PROSPECTUS	(B) SUPPLEMENTAL PROSPECTUS
	<p><b>Introduction:</b></p> <p>In general, the amendments made to the Prospectus are mainly to reflect the following:</p> <ol style="list-style-type: none"> <li>1. Change in the distribution policy of the Fund to allow the Fund to distribute out of its capital arising from unit holders' approval obtained on 16 June 2023;</li> <li>2. Change in the shareholding of AHAM which took effect on 19 April 2023, whereby Nikko Asset Management International Limited ("NAMI"), which owned twenty-seven percent (27%) equity interest in AHAM Asset Management Berhad ("AHAM"), completed its divestment of its twenty percent (20%) equity interest to Nikko Asset Management Co., Ltd, and divestment of its seven percent (7%) equity interest to Lembaga Tabung Angkatan Tentera ("<b>Change in Shareholding</b>"); and</li> <li>3. Amendments made to the Twelfth Supplemental Deed which was registered and lodged with the SC on 15 August 2023 ("<b>Supplemental Deed</b>").</li> </ol> <p>Except for the amendments pertaining to capital distribution, we are of the view that other amendments reflected in the Supplemental Prospectus do not materially prejudice the unit holders' interests as they do not result in (1) change to the nature/objective of the Fund; (2) change to the risk profile of the Fund; (3) change in the distribution policy; (4) introduction of a new category of fees/charges; or (5) increase in fees/charges of the Fund (collectively known as "<b>Material Prejudice Circumstances</b>"). Hence a unit holders' approval is not required under paragraph 9.70 of the Revised GUTF and section 295(4)(a) of the Capital Markets and Services Act 2007.</p> <p>Additionally, except for the amendments pertaining to capital distribution of the Fund, we are of the view that other amendments are not significant changes that will affect unit holders' decision to stay invested in the Fund as they do not result in change to (1) investment strategy; (2) distribution policy; or (3) minimum balance of the Fund ("<b>Significant Change Circumstances</b>").</p>

6.3	<b>DISTRIBUTION POLICY</b>  The Fund endeavour to distribute income on a monthly basis.  All income distribution will be made in the form of cash or reinvestment as additional Units.  If you invest through the EMIS, any income distribution made by the Fund will be considered as EPF savings and automatically be reinvested in the form of additional Units on your behalf. There will not be any cost for reinvestments in new additional Units.  You may, when filling up the application form for the purchase of Units, elect the mode of distributions in cash payment or additional Units by way of reinvestment by simply ticking the appropriate column in the application form. You may also inform us, at any time before the distribution date of your wish of receiving cash payment. All distribution will be automatically reinvested into additional Units in the Fund if you did not elect the mode of distributions in the application form.  Notwithstanding the above, any distribution payable which is less than or equal to the amount of MYR 300.00 will be automatically reinvested on your behalf.  We also may reinvest the distribution proceeds which remain unclaimed after twelve (12) months from the date of payment, provided that you still have an account with us.  <u>Cash Payment Process</u> Income distribution by way of cash payment will be paid via telegraphic transfer. Income will be transferred to your bank account within seven (7) Business Days after the distribution date.  <u>Reinvestment Process</u> We will create Units based on the NAV per Unit at the income payment date which is within two (2) Business Days after the income distribution date.  There will not be any cost for reinvestments in new additional Units.	The Fund endeavour to distribute income on a monthly basis.  All income distribution will be made in the form of cash or reinvestment as additional Units.  <u>At our discretion, the Fund may distribute (1) realised income, (2) realised capital gains (3) unrealised income, (4) unrealised capital gains, (5) capital, or (6) a combination of any of the above. The rationale for distribution out of capital is to allow the Fund the ability to distribute income on a regular basis in accordance with the income distribution policy of the Fund.</u>  <u>Having the option to tap into the additional sources of income from (3) unrealised income, (4) unrealised capital gains and/or (5) capital (collectively known as “distribution out of capital”) would give the Manager the flexibility to increase the amount of income distributable to Unit Holders after taking into consideration the distribution out of capital risk.</u>  <u>Distribution out of capital has a risk of eroding the capital of the Fund. Payment of distribution out of capital amounts to a return or withdrawal of part of an investor’s original investment or from any capital gains attributable to that original investment. Any distribution involving any payment out of capital of the Fund will result in an immediate reduction of the NAV per Unit. As a result, the value of future returns would be diminished.</u>  You may elect the mode of distribution in cash payment or additional Units by way of reinvestment by ticking the appropriate column in the application form. You may also inform us, at any time before the <u>income</u> distribution date of your wish of receiving cash payment <u>or additional Units via reinvestment</u> . Notwithstanding the above, we may <u>also</u> reinvest the distribution proceeds which remain unclaimed after twelve (12) months from the date of payment, provided that you still have an account with us.
